PETITIONING THE COURT

To modify the conditions of supervision as follows by removing special condition number 6 listed below:

- 6 You shall reside in a residential reentry center for a period of up to 180 days. This placement may include a prerelease component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

CAUSE

On August 28, 2008, the Court placed Mr. Pyne at Bureau of Prisons (BOP), residential reentry center (RCC), located at Geiger Corrections Center in Spokane, Washington, as a public law placement. This action was taken in response to the offender drinking alcohol in June and July 2008. Mr. Pyne was also living in an apartment complex at that time with other convicted felons that were drinking in public on the premises.

Since that time, the offender has done extremely well while housed at Geiger. He has done exceptionally well in chemical dependency treatment at New Horizon in Spokane. Mr. Pyne has secured employment at the Steam Plant Grill as a dishwasher and has also obtained appropriate housing in northeast Spokane that this officer approved of on February 10, 2009.

The offender is scheduled to complete 6 months at the RCC on February 17, 2009. As a result, this officer would respectfully recommend that this special condition be removed in order for Mr. Pyne to be released from Geiger on February 17, 2009.
